

Learning Agreement with Euphoria Diving

Welcome to the PADI _____ course. Diver training courses are meant to be fun, but like any form of learning, you'll need to invest some time and effort reading and studying. This learning agreement is between you (the student), and Euphoria Diving's instructional staff, regarding our mutual responsibilities in this program.

Student Responsibilities

The student agrees to study independently as specified by the instructor. In general, this means that before each class session, the student will:

- Watch the appropriate assigned portion of the course video or CD-ROM.
- Read the appropriate assigned course manual section and complete the Quick Quiz questions.
- Complete the appropriate assigned Knowledge Review to be handed in at the start of the class.

In addition, the student agrees to:

1. Follow all course procedures as set forth by the instructor.
2. Ask questions about anything not understood.
3. Show up for all sessions on time and be prepared.

If the student arrives at class, but has failed to complete and turn in assigned work, or if the student fails to arrive on time, it may be necessary to make up the work and continue the class at a later date. The student will be responsible for any additional costs and/or inconvenience this causes. In scheduling and determining additional costs Euphoria Diving agrees to give every reasonable consideration to unforeseen events, such as family emergencies that lead to this situation.

Instructor/Staff Responsibilities

The course instructor and staff agree to:

1. Start the class as scheduled.
2. Provide a positive learning environment in which to master the course objectives.
3. Answer the student's question to the best of their ability.
4. Assist the student through learning challenges.

If the student completes all course work as assigned, arrives for class promptly and otherwise follows directions for learning given by the instructor, Euphoria Diving accepts responsibility for learning challenges. Course objectives must be met before the student is certified, but in this situation Euphoria Diving will schedule up to two additional training sessions, at no additional costs to the student. A further two training session may be scheduled which the student will pay only the costs incurred by Euphoria Diving. Any training sessions after this will be at a cost agreed between the student and Euphoria Diving until

- a) the student masters the course objectives or
- b) the student voluntarily discontinues the course.
